We designed Studio School's curriculum to create a vibrant community of gifted artists and entrepreneurs where you can discover your creative voice, develop the courage to take risks, and collaborate with talented peers and active industry professionals. Our programs will challenge and inspire you to grow artistically, and prepare you for a professional career in the industry.

**YOUR CAMPUS IS A WORKING STUDIO**

Located at Los Angeles Center Studios, our campus is part of a 20-acre active film and television, and media studio lot. We believe your best opportunity to learn the business is to be embedded in it every day. Many award-winning shows and films have been created here including *Mad Men*, *Scandal*, *Medium*, *True Detective*, *Anchorman*, *Fight Club*, *Drive*, and *Inception*.

**FOCUS ON YOUR PASSION**

From day one, you'll dive into comprehensive studies in your chosen creative focus. You'll also expand your experience in thoughtful general education courses that give you ample opportunity to explore diverse perspectives, evaluate information critically, and express your ideas.

**INDUSTRY IMMERSION**

No matter which program you choose, you'll receive mentorship from active industry professionals. You'll also craft original content and show your work to global audiences while preparing for professional opportunities in your field.

# BFA IN FILM + DIGITAL CONTENT

The BFA in Film + Digital Content fosters emerging artists in the critical early stages of their development through intensive, studio-developed studies in cinematography, directing, screenwriting, sound design, producing, and all aspects of production.

## DEGREE CONCENTRATIONS

### Cinematography

The Cinematography concentration will immerse you in all aspects of visual storytelling, including functioning as a Director of Photography while mastering the technical and business skills necessary to thrive in the business.

### Directing

With a Directing concentration, you'll develop deep knowledge of visual storytelling—including working with actors, aesthetics, structure, style, technology, production, set etiquette, script development, and project management.

### Documentary Film

During the Documentary Film concentration, you'll study all aspects of the documentary form—including narrative techniques and strategies, research, ethics, methodologies, visual storytelling, structure, technology, production, and industry best practices.

### Editing

With the Editing concentration, you'll develop an expansive understanding of the editing process for film, television, and digital media—including hands-on training in all aspects of post-production.

### Producing

In the Producing concentration, you'll dive into all stages of production, including creative development, budgeting, set management, legal matters, marketing, and finance.

### Screenwriting

During the Screenwriting concentration, you'll study the craft of writing scripts for film, television, and digital media, while learning how to develop a television series, including creating the pilot and series bible.

### Sound Design

In the Sound Design concentration, you'll focus on aesthetics and techniques used to craft sound in film, television, and digital media, while developing thorough knowledge of specialized technology used in this medium.

### Visual Effects

With the Visual Effects concentration, you'll study compositing, motion graphics, digital environment design, live-action integration, pre-visualization, and industry-standard workflow.

## BFA IN ACTING

During the BFA in Acting, you'll work on camera techniques, script analysis, character development, scene study, speech, movement, auditioning, stunt work, and collaboration techniques. You'll have opportunities to audition for student films, new media series, plays, and musicals.

## BFA IN COMMERCIAL DANCE

The BFA in Commercial Dance offers extensive training in hip-hop, ballet, jazz funk, world cultural, tap, contemporary, silks, breakdancing, ballroom, modern, and partnering. You'll also study anatomy and injury prevention, dance history, and on-camera acting technique.

## BFA IN CONTEMPORARY MUSICAL THEATRE + FILM

The BFA in Contemporary Musical Theatre + Film offers comprehensive training in acting, voice, musicianship, and dance. You'll collaborate with film students and audition for Studio School musicals, student films, and musical scene presentations.

## POST-BACCALAUREATE PROGRAMS

The Post-Baccalaureate Programs offer artists industry-specific training on evenings and weekends. Through accelerated, field-specific courses, you'll develop specialized skills, create a polished portfolio, and network with industry professionals.

### CERTIFICATES

#### Film + Digital Content

The Post-Baccalaureate in Film + Digital Content fosters artists through intensive, studio-developed programs in cinematography, directing, producing, screenwriting, sound design, and all aspects of production.

#### Acting

During the Post-Baccalaureate in Acting, you'll work on camera techniques, script analysis, character development, scene study, speech, movement, auditioning, stunt work, and collaboration techniques. You'll have opportunities to audition for student films, new media series, plays, and musicals.
